VAT number:

1 Loan period / Delivery / Receipt

Loan period is 5 working days or a total of 10 days whatever comes first starting from the day the Client receives the equipment.

2 Return of equipment / packing

When returning the equipment at the end of the loan period, it must be packed and shipped safely in the shipping package that the client received the equipment in!

The Client must ensure that all items received, except consumables, are repacked in a proper manner.

A return label will be sent from the Owner to the Client's contact person by email. This must be printed and placed outside on the package when it is ready for pick-up.

Make sure to clean the equipment after use and prior to packing and shipping. The equipment will be forwarded directly to another client that looks forward to a successful loan (most likely he or she is a colleague of yours). This person will appreciate to receive the equipment cleaned and ready to use, just like you received from the last user (which was most likely also a colleague of yours).

Please let us know if anything is missing or if something needs to be checked. Then we at infinityPV will make sure to get it fixed as fast as possible.
